Re: Letter of Support

Dear Mr. Larsen,

Public Service of New Hampshire (PSNH) is pleased to provide you with this letter indicating our satisfaction with the absorbent product (Part ID 10725) distributed under the trade name Moleculoc. We have been using the product for approximately one year to remove dielectric transformer oil spills resulting from damaged transformers in our system. The product has been very effective removing free product as well as stains from impervious solid surfaces, including concrete and asphalt.

Should you need additional information please contact me at (603) 634-2235.

Sincerely,

Richard F. Dumore  
Supervisor - PSNH Environmental Operations
